Flowing \( \text{\( \frac{d}{x} \) = 82-88} \)

Refrain

Even though the rain hides the stars,

Even though the mist swirls the hills,
even when the dark clouds veil the sky,  

even when clouds veil the sky  

God is by my side.  

Even when the sun shall fall in sleep.
even when at dawn the sky shall weep, 

even in the night when

even when the sky shall weep, 

even when the

even when the sky shall weep, 

even when the

storms shall rise.

God is by my side.

storms shall rise.

storms shall rise.

storms shall rise.

storms shall rise.

God is by my side.
God is by my side.

Verses

1. Bright the stars at night
2. Deep the feast of life
3. Blest are they who sing

mirror heaven's way to you.
saints shall gather in deep peace.
fellowship of saints in light.
Bright the stars in light
Deep in heaven's light
Blest is heaven's King.

Dwell the saints in love and truth.
Sorrows pass beyond death's sleep.
Saints adore the Lord, Most High.
